## Starting Positions - Transit

### **Mars in the 5th**12°28' Cancer

(Emphasis on physical hobbies, health clubs, children, impulsive love affairs and speculation). You will be more adventurous and aggressive in the pursuit of your hobbies and starting physical exercises and danger sports. This applies to children as well (gym or other exercises) but they may be more prone to injuries (especially head area) or any health checkups.

You will actively seek to have children or will be planning for it during this period. New love affairs of short duration especially with those who are youthful and athletic and have a scar near the eyebrows. Be careful of dangerous hobbies and speculation (bad timing for stock market), impulsive investments and get-rich-quick schemes.

### **Mars in Cancer**12°28' Cancer

You have deep feelings and emotional passion which can be easily aroused and display as temper or moodiness. Very susceptible to ulcers and acidity in the stomach. You need strenuous physical exercises to sublimate your bottled up anger. Brooding and prone to ulcers. Acidity in stomach.

### **Jupiter in the 5th**08°01' Cancer

This is a once-in-twelve-years opportunity and one of the best times for having children or grandchildren (or getting pets). This is a very lucky period for your hobbies especially if it involves philosophy, languages and travel and also for speculative ventures including the stock market, lotteries and bingo. Your children may also travel or take languages now. This period also often coincides with love affairs with foreigners, teachers or while traveling.

### **Jupiter in Cancer**08°01' Cancer

Home, family and roots will become important again. Although Cancer is the sign of the mother, divorce laws will be changed to take into consideration father's roles in a happy family rather than in favor of single mothers. Children's interest will be seen again as a stable family with both parents. Family TV will include old episodes and family based reality shows. Cooking, homemade food and family recipes will flourish. Food stocks will gain and home grown fruits and vegetables will gain popularity. Nostalgic revival of the railway and maybe even the steam engine. Houses as opposed to condos will gain in price especially those which are older and have a history to them. Old wooden furniture and vintage fashion will be back.

### **Saturn in the 9th**05°17' Scorpio

This period is a major test of your legal ethics and often coincides with lawsuits and delays in legal matters and immigration. You may also encounter delays in foreign travel unless you plan carefully. However, it is an excellent time to go back to school to finish your education and for taking practical courses in management, real estate, accounting and any professional trade. Be careful of car accidents and vehicular problems.

### **Saturn in Scorpio**05°17' Scorpio

Everyone will be motivated by power now and those in power will become very secretive and dictatorial. Avoid being vindictive and unhealthy depression. Careful of violence and sinister contacts. People are usually very self destructive now also it is a good time for medical research and major breakthrough cures for uro-genital area related problems. Cruelty, rape and criminal behavior on the rise but also the movement to curb it. Goth and punk rock, black from head to toe in 1984 and Howard Stern introduced the first nude guest on live TV. Hard drugs rampant. Oil embargo.

### **Uranus in the 2nd**12°26' Aries

For the next seven years, your earnings will go through sudden ups and downs unless you recognize this phase as your need for financial freedom. In fact, this can be a time for erratic and unconventional also but unusual earning opportunities. This includes income from inventive ideas, computers, electronics, digital technology, television, videos and space age technology.

You will be receptive to new forms of advertising and marketing including the media, audio visual aids and CD technology. You will seek new and novel ways of earnings and break free from the routine and the monotonous. Earnings through digital photography, and combining new technology with anything that is old e.g. putting old pictures on video, computerized astrology, computerized art and midi systems in music.

### **Uranus in Aries**12°26' Aries

This will be a favorable period for major inventions in aerospace, space travel, cars, electrical motors and magnetism. The foundation of airplanes was formed when Uranus was in Aries 84 years ago! New ways of transportation will focus on changes in the mechanical transmission of power, and there will be simple new ways to harness solar, wind and magnetic power. There will be major discoveries in neurology leading to cures in brain related illnesses and the science of cognition.

### **Neptune in the 1st**04°39' Pisces

For the next several years, you will become acutely sensitive to your environment, sunsets, inspirational music and also sadness. You will become very idealistic about yourself and will have a need to evolve spiritually and find your highest potential. You will have some very inspirational moments now but will also crave denial to stimulate your creative side, unless you become involved with art, music or spirituality to sublimate your escapist tendencies.

This transit often makes you look at the world through rose-colored glasses and you are more prone to make emotional misjudgments and trust the wrong people. You will tend to see only the positive side of others and ignore their negative traits which is fine as long as you use common sense if you are getting into any partnerships. You will become very intuitive and be able to understand others much better, especially those who are going through sadness in their life. People will be drawn to your humanitarian instincts during this period and will open up to you more easily.

Use this beautiful transit to develop your sensitivity by surrounding yourself with nature, flowers, incense, perfumes, soothing music visits to the lake or the ocean and spirituality. Just make sure that you do not go into escapist tendencies otherwise you will feel disoriented and confused about yourself and the world. You need to do something structured as well to maintain a certain balance.

#### **Neptune in Pisces**04°39' Pisces

This is an extremely inspirational era which repeats itself every 165 years. There will be a revival of faith and true spirituality as well as inspirational music and children's stories in 3D and holography. Floods may be the result of this position but there will be increased humanitarian missions and concern for the welfare of the poor and needy. Impressionist paintings will also thrive not as will inspired writings.

#### **Pluto in the 11th**09°34' Capricorn

For the next several years, events around you which are beyond your control (sometimes even life/death experiences involving your contacts and friends) will completely re-evaluate your goals and plans for the future, and make you aware of your "mission" in life.

The best way to offset this transit is to get involved with projects which affect the masses positively and organizations which are trying to bring about global harmony and world peace. You may become instrumental in bringing about these changes through some form of mass communication.

You will make powerful contacts now and meet tycoons, doctors, politicians or those who are involved with the power of the mind. However, do not become involved with radical therapies or cults which are more interested in the power than self-realization. You will also meet those in power who will try to stop you from achieving your goals.

#### **Pluto in Capricorn**09°34' Capricorn

Pluto represents changes at the fundamental level and Capricorn is the sign for manufacturing, big business, corporations, government and everyone's attitude towards material possessions, and we will see a complete transformation in all these areas. Between Nov. 2008 and summer 2009, the stock market will be redefined and billions used to bail out banks and manufacturing companies. Pluto stays in Capricorn from Nov. 2008 to Mar 2023.

This once in 245 years transit will decentralize the government and work against the wishes of those who want a One World Government. For several years, the abuse of power amongst the governments will be brought to justice and constitutions restored. There will also be an emphasis on free energy, natural forces, and harnessing of wind, ocean and solar power.

Geological revolution will continue till 2023. Global warming will be recognized as a major threat and all governments will do their best to reduce it by controlling the pollution and waste from large institutions and manufacturing plants. In fact, there will be major discoveries which will redefine the manufacturing process. Synthetic Diamonds and other stones will be manufactured. Asteroid redirection by NASA will be initiated now.

Your timing is not very good now and you are accident prone as well. Be careful of accidents involving cars, skin, teeth and bones. Avoid authority conflicts and legal matters. Cut down on red meat and drink more water to control your anger and temper. This is not a good time for surgeries and you may also feel very run down.

### ***Mars Enter Leo***

*(Already in effect, continues past report date, exact on 27 Aug 2013)*

You have a daring nature which can lead to fast cars, speeding, colorful temper and dramatic displays but also a sense of showmanship. You enjoy adventurous games, leadership in sports (many captains of teams) but must guard against recklessness. You will probably end up driving fancy cars.

### ***Mars Opposite Jupiter***

*(27 Aug 2013 to 30 Aug 2013, exact on 29 Aug 2013)*

You are in a very speculative mood now and can have windfalls but also make costly mistakes. Good for travel, buying a car and moving. Excellent for high drive but

avoid over-extending yourself in everything and pace yourself. This is one of the windfall configurations and you have sudden bursts of energy but need to use moderation in everything and pace yourself. Careful of speeding, speculation and financial splurges.

### ***Saturn Sextile Pluto***

*(15 Aug 2013 to 10 Sep 2013, exact on 29 Aug 2013)*

This period reflects events relating to your age group and you find it easy to make the ideals and beliefs of your generation acceptable to the society. Excellent for laying foundations of projects which eventually benefit the masses.

### ***Mars Conjunct Mercury***

*(30 Aug 2013 to 2 Sep 2013, exact on 31 Aug 2013)*

Good for bright ideas but not for implementing them. Impulsive, argumentative and tactless period. Avoid sharp tools and signing of documents.

## Report for September

### ***Mars Sextile Moon***

*(31 Aug 2013 to 3 Sep 2013, exact on 2 Sep 2013)*

You will be intense and passionate in all your work now. Good for emotional appeal and family. Increased psychic awareness.

### ***Uranus Trine Sun***

*(Already in effect to 6 Sep 2013 , exact date is prior to report start date)*

This longterm transit makes you more inventive, original and even unconventional without being eccentric. Possibility of sudden limelight. Excellent for making your inventions or new ideas productive. Time to readily accept and promote changes.

### ***Mars Square Neptune***

*(8 Sep 2013 to 12 Sep 2013, exact on 10 Sep 2013)*

Your immune system is reduced and you are prone to infections, cold and allergies. Careful of ocean, bad intuition and fraud.
